On the bluffs of Encinitas is the Encinitas Ranch Golf Course, one of the most popular golf courses in San Diego, and the home of your dream wedding location in San Diego. Our Ranch Clubhouse, perched at the top of the golf course, offers panoramic ocean sunset views. Our catering professionals will assist you every step of planning the wedding of your dreams.

Attention to all details involved in planning a successful event is what distinguishes Encinitas Ranch Golf Course in the art of entertaining. Your special day will exceed expectations at every level. There is great pride taken in having the ability to understand wishes before they surface and having the experience and resources to bring them to life. ## CEREMONY

Weddings on the ceremony lawn overlook the championship golf course with sweeping views of the Pacific Ocean in the distance. Photographers are delighted with dramatic elevation changes and beautiful ocean sunsets that create picture perfect memories that you and your guests will never forget. Mature Eucalyptus and Torrey Pine trees line some of the fairways and the flower fields that border the course still remain in production with an array of color.

## RECEPTION

The Encinitas Ranch Clubhouse envelopes you in a warm and casual atmosphere. Our mahogany bar is fully stocked with a variety of refreshments to entice your guests. The Clubhouse opens out to a dramatic stone fireplace featured on our patio. The panoramic views of the Pacific Ocean will leave your guests breathless.
